A great team player, natural goal-getter and a detailed manager.

OUR SERVICES

We provide a wide range of specialized logistics solutions to companies and organizations across all sectors. These solutions cover all transportation, removal, warehousing and logistics requirements of the clients as per each and every project

WE OFFER

- AIR FREIGHT
- OCEAN FREIGHT
- HAULLAGE AND DISTRIBUTION
- HOUSEHOLD AND OFFICE REMOVAL
- MULTI MODAL TRANSPORTATION
- CUSTOMS CLEARANCE
- STORAGE
- PACKING AND CRATING
- GENERAL LOGISTICS

AIRFREIGHT

We excel in providing integrated air freight services that includes air cargo transportation, customs clearance and international deliveries through a vast network of offices across the globe. Our fast, safe and prompt service to each and every corner of the world makes us the preferred and trusted name in air freight services. Our constant endeavor is to help you realize your goals in time with maximum speed and supreme efficiency at a very little cost.

- Door to Door service
- Direct shipments
- Ex/works, DDU and DDP shipments
- Customs formalities in all Nigerian Air/Sea ports
- Local transportation and distribution
- Packing and crating

OCEAN FREIGHT

Eaglenet Logistic Services Ltd has successfully pursued a policy of co-operation with leading shipping lines based on fixed/long term agreements. This strategy has enabled us to concentrate on freight volume and pass on the benefits to customers worldwide.

For in-coming/out-going sea freight containers, we offer a complete lump sum package including customs clearance and examination, all port handling charges, shipping company charges, port storage, container demurrage, removal from block stack, manifest amendments and delivery to all location in Nigeria

+ PACKING / REMOVAL & EXPORT

We are one of the major relocation company in Nigeria Transferring locally or internationally? You don't need your move to be an additional stress for your family! Contact Eaglenet, for moving with peace of mind. We specialize in domestic, national and international removal. We also offer complementary services such as transport, long or short term storage, as well as many other services to help you settle into your new home.

Our professionals will off load, unpack, set up and remove all packing debris. We arrange for electricians, carpenters or plumbers to assist further with installations in your new home. We use new packing materials – tissue and shredded paper, assorted grades of wrapping paper, cardboard, corrugated roll, bubble-wrap, blanket padding, a selection of sturdy 2 and 3 ply cardboard cartons, including clothing wardrobes – to pack and prepare your effects for transit

We can provide made to measure wooden crates, frames, pallets or waterproof lift-vans to consolidate the shipment into a neat and secure package. We label and steel-strap the shipment ready for transit. Consignments are then safely loaded, stowed and conveyed to the port of exit and the required packing lists, customs procedures and forwarding documentation completed.

Whether we use our own offices throughout the world or the services of recognized professionals, we manage your move from one corner of the globe to another. In this way, We offer a complete solution to relocation management for a large number of corporate businesses.

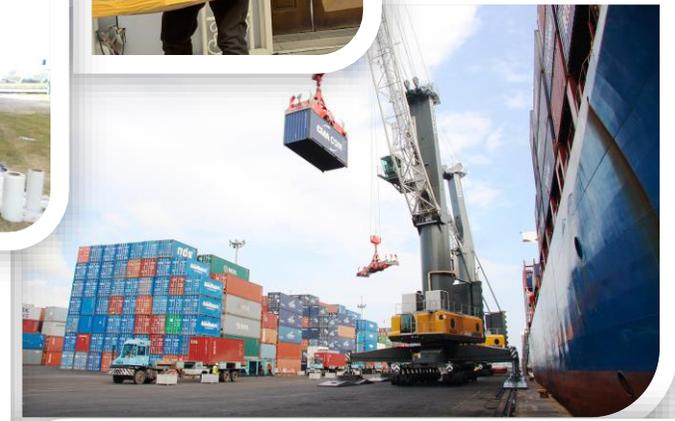

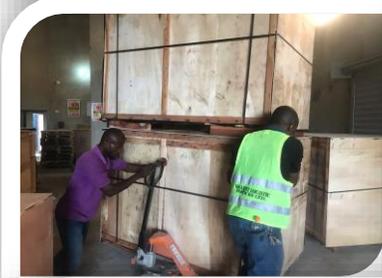

+ MULTI – MODAL

Apart from Air and Ocean freight, we are also actively present in inland transportation sphere in partner with companies who have over 100 trucks (Pickup, Van, cover-truck, flatbed, low-loaders etc.)

For any economy, domestic trade is crucial for its progress. It's dependence on speedy, efficient and on time transportation hence is a necessary prerequisite. Our multi modal transportation services are offered to both exporters and importers. A diverse and integrated inland Transportation service covering warehousing, and door to door service.
